Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

C. Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (See, e.g., Rev. & Tax Code section 64, as amended from time to

time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

B. Subcontracts. Contractor shall incorporate by reference in all subcontracts the provisions of §§12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subcontractors to comply with such provisions. Contractor’s failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement. The entire San Francisco Administrative Code is available on the web at a site maintained by American Legal Publishing Corporation.

C. Nondiscrimination in Benefits. Contractor does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.
D. Condition to Contract. As a condition to this Agreement, Contractor shall execute the “Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits” form (form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division (formerly San Francisco Human Rights Commission).

E. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Contractor understands that pursuant to §§12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of $50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Contractor and/or deducted from any payments due Contractor.

Contractor, shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the “LBE Ordinance”), provided such amendments do not materially increase Contractor's obligations or liabilities, or materially diminish Contractor's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Contractor’s willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Contractor's obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, Contractor shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

B. Enforcement. If Contractor willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, Contractor shall be liable for liquidated damages in an amount equal to Contractor’s net profit on this Agreement, or 10% of the total amount of this Agreement, or $1,000, whichever is greatest. The Director of the City’s Contract Monitoring Division (CMD) or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the “Director of CMD”) may also impose other sanctions against Contractor authorized in the LBE Ordinance, including declaring the Contractor to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Contractor’s LBE certification. The Director of CMD will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.    (4) Following up on initial notices the Contractor sent to LBEs by contacting the LBEs to determine whether they were interested in performing specific parts of the project.

   (5) Providing interested LBEs with information about the scope of work.

   (6) Negotiating in good faith with the LBEs, and not unjustifiably rejecting as unsatisfactory proposals prepared by any LBEs, as determined by the City.
GENERAL CONDITIONS

(7) Where applicable, advising and making efforts to assist interested LBEs in obtaining insurance required by the City and the prime contractor.

C. Examples of Subcontracting. The following are examples of products which could be subcontracted under this Contract. The list is not intended to be exhaustive:

(1) the products or services which the supplier in turn sells to the City, or components of those products; (see Page 1 of the bid sheet);

D. Reports. On a quarterly (January 1 – March 31, April 1 – June 30, July 1 – September 30, October 1 – December 31) basis, the Contractor will provide CMD with reports on LBE subcontracting under this Contract. 46. Conflict of Interest. Through its execution of this Contract, Contractor acknowledges that it is familiar with the provision of Section 15.103 of the City’s Charter, Article III, Chapter 2 of City’s
GENERAL CONDITIONS

Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Contract.

47. Non-Waiver of Rights. The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall in any way affect the right of the party to enforce such provisions thereafter.

48. Contractor's Default. If Contractor fails to fulfill its obligations under this contract proposal, whether or not said obligations are specified in this section, Purchasing reserves the right to: (a) terminate this contract at no cost to the City; (b) take action in accordance with Sections 17 and 19, or (c) exercise any other legal or equitable remedy.

49. Bankruptcy. In the event that either party shall cease conducting business in the normal course, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the appointment of a receiver for its business or assets or shall avail itself of, or become subject to, any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or the protection of rights of creditors, then at the option of the other party this contract shall terminate and be of no further force and effect, and any property or rights of such other party, tangible or intangible, shall forthwith be returned to it.

50. Incidental and Consequential Damages. Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights which City may have under applicable law.

51. Reports by Contractor. Multi-year Term Contracts

53. Subcontracting. Contractor is prohibited from subcontracting the direct supply of commodities under this contract unless such subcontracting is agreed to in writing by Purchasing. No party on the basis of this contract shall in any way contract on behalf of or in the name of the other party of this contract, and violation of this provision shall confer no rights on any party and any action taken shall be void.

54. Independent Contractor. Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Contract. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor’s performing services and work, or any agent or employee of Contractor providing same. Nothing in this Contract shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in
this Contract referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor’s work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Contract.

55. **Severability.** Should the application of any provision of this Contract to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the validity of other provisions of this Contract shall not be affected or impaired thereby, and (b) such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.

56. **Emergency - Priority 1 Service – Not used**

57. **Not used**

58. **Term Bid – Quantities.** The quantities specified are an estimate of the City Hall Administration Office’s needs for the Systems Furniture for workstations. The City, in its sole discretion, reserves the right to purchase any greater or lesser quantity of any or all Systems Furniture workstation configuration or office configuration at the awarded contract price. Prior to issuing the Notice to Proceed to the awarded contractor, the City may make adjustments to the quantities or the configurations of the workstations that may result in a lower total contract price. Therefore, the contract quantities and price shall be modified with no additional charges to the City. Deliveries shall be required in accordance with the Project schedule timelines as approved in writing by the City Hall Administration Office’s project manager.

59. **First Source Hiring Program**

   **A. Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

   **B. First Source Hiring Agreement.** As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement (“agreement”) with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:

   (1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into
GENERAL CONDITIONS

consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs may be certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.

(2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

(3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.

(4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be non-duplicative, and facilitate a coordinated flow of information and referrals.

(5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.
GENERAL CONDITIONS

(6) Set the term of the requirements.

(7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.

(8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.

(9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.

C. Hiring Decisions. Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

D. Exceptions. Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

E. Liquidated Damages. Contractor agrees:

(1) To be liable to the City for liquidated damages as provided in this section;

(2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;

(3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to $5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

(4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to $10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;
(5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

a. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of $348 per month, totaling approximately $14,379; and

b. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year; therefore, liquidated damages that total $5,000 for first violations and $10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of $5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

F. **Subcontracts.** Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

**60. Consideration of Criminal History in Hiring and Employment Decisions**

A. Contractor agrees to comply fully with and be bound by all of the provisions of Chapter 12T “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at http://sfgov.org/olse/fco. A partial listing of some of Contractor’s obligations under Chapter 12T is set forth in this Section. Contractor is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.
GENERAL CONDITIONS

B. The requirements of Chapter 12T shall only apply to a Contractor’s or Subcontractor’s operations to the extent those operations are in furtherance of the performance of this Agreement, and shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement.

C. Contractor shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Contractor’s failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

D. Contractor or Subcontractor shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant’s or potential applicant for employment, or employee’s: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

E. Contractor or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 60(D), above. Contractor or Subcontractor shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

F. Contractor or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Contractor or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

G. Contractor and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE’s website, in a conspicuous place at every workplace, job site, or other location under the Contractor or Subcontractor’s control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.

H. Contractor understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of $50 for a second violation and $100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.
GENERAL CONDITIONS

61. Limitations on Contributions. Through execution of this Agreement, Contractor acknowledges that it is familiar with Section 1.126 of the City’s Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of $50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor’s board of directors; Contractor’s chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

62. Prohibition on Political Activity with City Funds. In accordance with San Francisco Administrative Code Chapter 12.G, Contractor may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, “Political Activity”) in the performance of the services provided under this contract. Contractor agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City’s Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event Contractor violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this contract, and (ii) prohibit Contractor from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider Contractor’s use of profit as a violation of this section.

63. Preservative-Treated Wood Containing Arsenic. Contractor may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term “preservative-treated wood containing arsenic” shall mean wood treated with a preservative that contains arsenic, elemental arsenic or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Contractor may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Contractor from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term “saltwater immersion” shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.
GENERAL CONDITIONS

64. Not used

65. Protection of Private Information. Contractor has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, “Nondisclosure of Private Information,” and 12M.3, “Enforcement” of Administrative Code Chapter 12M, “Protection of Private Information,” which are incorporated herein as if fully set forth. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

66. Sugar-Sweetened Beverage Prohibition. Contractor agrees that it will not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Agreement.

67. Modification of Agreement. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.

SPECIAL CONDITIONS

C. It will be Bidder’s sole responsibility to become knowledgeable and investigate all factors relevant to delivery to San Francisco City Hall, prior to submitting its bid. Such investigation shall include visiting the building site to verify dimensions and conditions pertaining to delivery.

Necessary information which bidders must be familiar with includes, but is not limited to, knowledge of local traffic laws relative to delivery; location, time, availability and size of loading docks; layout of building and size of passage doors, location, dimensions, and weight capacity of elevators. After the bid is awarded, access to the building is to be coordinate with City Hall Building Management. For appointment to view the building site, contact City Hall Building Management, District Project Director – Civic Center Campus, Rob Reiter at (415) 554-4933 or rob.reiter@sfgov.org.

D. Contractor shall be solely responsible and provide an off-site bonded warehouse facility to receive, inspect, and store goods for up to sixty (60) calendar days. Storage cost for up to sixty (60) calendar days shall be part of the delivery cost and be included in the delivery cost, which is FB Destination and therefore included in the price of the items.

Delivery Schedule Requirements and Liquidated Damages

F. Bidder shall comply with the delivery schedule and requirements in accordance with Appendix E, Section B, Project FF&E Schedule Milestones.

G. Liquidated damages will be assessed in the amount of $2,000 per calendar day, for each and every calendar day the Contractor is late and unable to complete all delivery and installation in accordance with the milestones listed in Appendix E, Section B, Project FF&E Schedule Milestones (or such extensions to the Project schedule milestones/timelines as the City may approve by advance written agreement). By entering into this Contract, Contractor agrees that in the event the delivery and installation of all Systems Furniture, purchased as a result of this Contract Proposal is delayed beyond the required timeline, the City will suffer actual damages that will be impracticable or extremely difficult to determine; further, Contractor agrees that the sum of $2,000 per calendar day for each calendar day of delay beyond the required timeline is not a penalty, but is a reasonable estimate of the loss that the City would incur based on the delay, established in light of the circumstances existing at the time the contract is awarded. City may deduct a sum representing the liquidated damages from any money due to Contractor. Such deductions shall not be considered a penalty,
but rather agreed monetary damages sustained by the City because of failure to deliver to the City within the time fixed or such extensions of time permitted by the Purchaser.

H. Liquidated damages will not apply to additional purchases of components made after the Contractor has successfully completed the delivery and installation obligations in accordance with Appendix E, Section B, Project FF&E Schedule Milestones (or such extensions to the Project schedule milestones/timelines as the City may approve by advance written agreement).
SPECIAL CONDITIONS

C. Bid prices shall include all allowable costs to the City (including assembly, submittals, and samples). Bid prices must be exclusive of any federal, state, local sales, or use taxes.

Each standard code in Appendix A and Appendix B is to be used to determine the pricing of each workstation or office standard with all components as stated. The City anticipates that it may require replacement/additional components after contractor has completed (and City has accepted) the delivery and installation obligations in accordance with Appendix E, Section B, Project FF&E Schedule Milestones (or such extensions to the Project schedule milestones/timelines as the City may approve by advance written agreement). Bidder shall provide a current manufacturer’s price list for each product line being bid with their bid proposal that is firm for a period of twelve (12) months, commencing the day following the closing date of the bid for each of the manufacturer’s pre-qualified product lines. C. Included with their bid, the Bidder shall indicate the percent discount off the price lists on Page 1, Column B in Appendix G, City’s Bid Sheets.

D. The City will make purchases as needed off the discounted list price under separate purchase orders. Contractor may submit to the Office of Contract Administration an updated manufacturer’s price list (minimum 3 sets) on each anniversary date from the bid closing date.

E. The initial contract quantities are governed by Section 58, Term Bid – Quantities.

B. For products, Contractor may submit an updated Manufacturer’s Price List on each anniversary date of the bid closing bid date.
78. **Bid Evaluation.** Except as otherwise noted on Bid Sheets, bid prices will be evaluated for each item based on the estimated quantity times the bid price per specified unit, less applicable discount payment terms offered (see Bid and Contract Condition 12), less any applicable LBE preference (see General Conditions 41 through 43) and applicable sales tax adjustment (see Special Condition 78). Purchasing will attempt to evaluate this (“bid package” or “contract proposal” package) within thirty (30) days after receipt of bids(s). If Purchasing requires additional evaluation time, all bidders will be notified in writing of the new expected award date.

79. **Adjustment of Bid Price for Sales Tax.** In accordance with Administrative Code Chapter 21.32, for bid purposes, Purchasing will reduce your bid based on any sales tax revenue the City would receive from this purchase.

80. **Award.** Award will be made to the lowest priced, most responsive and responsible bidder in the aggregate as noted on the bid sheets. Bidder must bid on all items in the Bid Sheets; failure to do so will result in a rejected bid.

In determining the award, Purchasing will take into consideration, but will not be limited to:

- Price (evaluated)
- Satisfactory review of bidders' qualifications.
- Any other factors deemed pertinent

81. **Awarded Items.** If during the term of the contract, a contract item is determined to be unacceptable for a particular use, and such is documented by a City Department and as determined by Purchasing, it is understood and agreed that the item will be canceled and removed from the contract without penalty to the City. The City's sole obligation to the supplier is payment of deliveries made prior to the cancellation date. City shall give the supplier ten days' notice prior to any cancellation. The City will purchase the required replacement item from any source and in the manner as determined by Purchasing. If a contracted item has been discontinued by the manufacturer or is deemed temporarily unavailable, it will be the responsibility of the Contractor to search the marketplace and find an acceptable equal substitute in the time required for delivery and at the contract price. Contractor must notify Purchasing by certified mail, 30 days in advance of any changes in the description of article, brand, product code or packaging. Any changes made without the approval of Purchasing will constitute default and result in the City invoking General Condition No. 19.

All invoices for payments shall show the citywide contract number, complete description of item, quantity and contract price.

87. Bid Addenda. The City may modify the Contract Proposal, prior to the bid due date, by issuing a bid addendum, which will be posted in the PeopleSoft Sourcing Event, as described in Section 69, Pre-Bid Conference and Site Visit. The bidder shall be responsible for ensuring that its bid proposal reflects any and all bid addenda issued by the City prior to the bid due date regardless of when the bidder’s proposal is submitted. Therefore, the City strongly recommends that the bidder consult the website frequently, including right before the proposal due date, to determine if the bidder has downloaded all bid addenda.

The successful bidder will be required to furnish a performance bond on the form furnished by City, in the sum of not less than 100% of the total amount of the contract to guarantee the faithful performance of this contract. The bond will be applicable only to the total contract amount of the line items listed on Appendix G, City’s Bid Sheets, and shall not apply to Section 8, Additional Purchases after Completion of Project. The bond must be approved as to sufficiency and qualifications of the surety by the Controller.

89. Fidelity Bond. Not used

E. Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

H. Before commencing any operations under this Agreement, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.
SPECIAL CONDITIONS

I. Approval of the insurance by City shall not relieve or decrease the liability of Contractor hereunder.

J. If a subcontractor will be used to complete any portion of this agreement, the Contractor shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents and employees and the Contractor listed as additional insured.

91. Failure to Execute Contract. Thereupon the tentative award of said contract to this bidder shall be canceled and City shall notify the bidder’s surety and collect on the bidder’s bond (or the check accompanying its bid shall be deposited with the Treasurer of the City and County of San Francisco for collection) and the proceeds thereof shall be retained by City as partial liquidated damages for failure of such bidder to properly file the bonds and insurance herein required. The foregoing in no way limits the damages which are recoverable by City whether or not defined elsewhere in the contract documents.
